Steering Committee:
Since there is no news to report on the publishing agreement, we are going to cancel our April 11 conference call. The next call is scheduled for Wednesday, May 9 at the usual time. AWWA will send out a meeting notice and conference code. Meanwhile, please keep me posted of any news on authors, coauthors or reviewers for your assigned chapters.

The minutes of the March 14 conference call were emailed to you on March 19 and have not changed.

Thank you for your participation on this committee and for your continuing patience!

Doug
